This is to certify that the School Building titled "KHALSA PUBLIC SCHOOL" constructed on Survey No. 2670, 2670(2), 1729/2 & 1729/3, Aberdeen Bazar, Port Blair Tehsil, South Andaman has been inspected by me on 08.05.2018.

The Building is triple storey RCC permanent Structure. The entire building consists of different blocks. It was noticed all the electrification works in all class rooms, Office Rooms, Principal Room, Lab, Library and stair etc. properly done and used quality of wires and switches also proper circuit brackers are provided (MCB) in all the distribution boards.

Based on the enquiries made to the clients and the information's provided by them, and upon my judgment, it is found that the building is safe in all electrical work and also safe for occupation and for running School.
